No. D
S. 2, Special Branch, Station,

Date, February 19, 1935.

Subject (in full) Alleged secret mission to Japan of Yamel Aref Malas, Assyrian, French protege, on behalf of the Egyptian Government.

Made by D.S.I. Golder. Forwarded by *S.B. Key*

At 6.30 a.m. Tuesday February 19, 1935 the undersigned, D.S. Tcheremshansky and C.D.S. 48 were on duty at the Wayside Wharf in order to meet the N.Y.K. s.s. 'Maruna Maru' and to keep observation on Yamel Aref Malas who it was reported would pass through Shanghai on a secret mission to Japan on behalf of the Egyptian Government.

On arrival at the wharf careful enquiries were instituted and it was learned that Yamel Aref Malas who boarded the s.s. 'Maruna Maru' at Colombo described himself as a missionary. He left the ship at Hongkong and when going ashore was seen to be in possession of a French passport. He travelled as a third class passenger and was heard to express his intention of proceeding to Japan later by freight steamer. He did not appear on the passenger list of persons booked to Shanghai or Japan ports; it is therefore assumed that he booked only to Hongkong.
